

Remembering Ollie

Custom Pet Memorial Songs

Baby's Gentle Smile

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we met, you stood right by the door
Your little lamb held, asking for more
My tiny chef, beside me in the kitchen light
A loyal heart, shining ever so bright
An American Bully, strong and true
Our lives forever changed, thanks to you
With every bark, a love so deep and kind
The sweetest friend we ever hoped to find

Chorus

Oh, Baby, our sweet boy, a light so pure
Seven years we held you dear, a love to endure
Though you're gone, your spirit still will play
Guiding us gently, every single day

Verse 2

On weekends spent, in the backyard you would rest
Feeling the sun, truly at your very best
Evenings came, watching TV, close by our side
Your presence a comfort, where we'd always confide
A quiet moment, a paw upon my knee
The perfect picture of serenity
Every simple pleasure, a joy to behold
A lifetime of memories, more precious than gold

Chorus

Oh, Baby, our sweet boy, a light so pure
Seven years we held you dear, a love to endure

Baby's Gentle Smile (continued)

Though you're gone, your spirit still will play
Guiding us gently, every single day

Bridge

Thank you for loving us beyond what words could say
You filled our world with joy, in your own special way
A bond so strong, it will never truly fade
Every sweet memory, a promise we made

Guitar Solo - acoustic guitar

Final Chorus

Oh, Baby, our sweet boy, a light so pure
Seven years we held you dear, a love to endure
Though you're gone, your spirit still will play
Guiding us gently, every single day

Outro

Now you're sleeping in the sun, a peaceful, watchful gaze
Smiling down on us, through all our coming days
Watching over us, my husband and me
Forever loved, forever free

Outro - guitar fade

Forever in our hearts
