Verse 1

A tiny heart, so pure and true
Sat upon the window's view
Awaiting my return, so sweet
With joyful barks, you'd rush to greet
My little Shih Tzu, small and bright
You filled my world with endless light

Chorus

Oh, Buddy, my dear friend so loyal
Fifteen sweet years, a precious spoil
Your love a light, a gentle gleam
Forever in my fondest dream

Verse 2

Cuddled close upon the couch so soft
You'd slumber there, dreaming aloft
And 'bye-bye rides' brought purest glee
Your face pressed to the glass, so free
Through rain or snow, or sunshine's ray
You loved to watch the world each day

Chorus

Buddy's Window Watch (continued)

Oh, Buddy, my dear friend so loyal
Fifteen sweet years, a precious spoil
Your love a light, a gentle gleam
Forever in my fondest dream

Verse 3

From the first hello, our love took flight
You filled our days with pure delight
Your tiny paw print, soft and deep
A treasure our hearts will always keep

Bridge

Momma loves you, Boo, my sweet
A promise someday we will meet
My Buddy, my Boo, across the sky
Our loving bond will never die

Instrumental - cello, piano

Final Chorus

Oh, Buddy, my dear friend so loyal
Fifteen sweet years, a precious spoil
Your love a light, a gentle gleam
Forever in my fondest dream

Outro

Now running free on fields of green
Chasing rabbits, a joyful scene
Watching over, from above
Rest softly now, my endless love

Outro - piano fade

Forever in our hearts
