Oreo's Joyful Run

A Tribute Song

Intro - acoustic guitar, mandolin

Verse 1

From the moment you came home, a joyful bark so clear
A playful spirit filled our lives, banishing all fear
You'd chase the ball and kick it far, a happy, eager chase
And sandy paws would dance with glee at our favorite beachy place

Chorus

Oh, Oreo, a heart so pure, a love that shines so bright
For fourteen and a half long years, you filled our days with light
Your memory's a melody, a comfort to our soul
Making all our broken pieces wonderfully whole

Verse 2

The open car door was your cue, a thrill you couldn't hide
Your curly tail would wag so fast, with us right by your side
From forest trails to open fields, you loved each journey best
With every ball you pounced upon, you put joy to the test

Chorus

Oh, Oreo, a heart so pure, a love that shines so bright
For fourteen and a half long years, you filled our days with light
Your memory's a melody, a comfort to our soul
Making all our broken pieces wonderfully whole

Bridge

Now chase those squirrels, my dearest friend, be free from every pain
I know we'll walk those paths again, when we finally meet again
Until that day, I'll hold you close, within my heart so deep

Oreo's Joyful Run (continued)

The love you gave will comfort me, as memories I keep

Guitar Solo

Final Chorus

Oh, Oreo, a heart so pure, a love that shines so bright
For fourteen and a half long years, you filled our days with light
Your memory's a melody, a comfort to our soul
Making all our broken pieces wonderfully whole

Outro

Now jumping in a crystal lake, to catch your favorite toy
And running through the endless fields, amidst the flowers of joy
Playing with children, bringing smiles, a comfort they will find
Forever free, forever loved, you leave no trace behind

Outro - piano fade

Forever in our hearts
