Argo's Green Fields

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

From the day you were born on our land, a sweet puppy so small
You grew to a gentleman, answering every call
With your beautiful long hair, a sight for all to see
Collecting every ball and stuffed toy, with such dignity
A loyal protector, with a temperament strong and true
Our beautiful Argo, always devoted to you
My first memory holds you, so gentle and grand
The best coated shepherd in all of the land

Chorus

Oh Argo, my Argo, for eleven years you stayed
Through every sunlit morning, no moment ever swayed
You were my faithful guardian, a love beyond compare
Now you rest among the stars, with wind in your long hair

Verse 2

Twenty-four seven, three-six-five, we were never apart
A bond woven deeply, etched forever in my heart
In Oregon's green fields, you and Bain would run free
And when he strayed too far, you'd come back concerned to me
My constant companion, by my side every day
Chasing sunbeams and shadows, along life's winding way
Every hour a special moment, a joy to recall
My gentle protector, standing strong through it all

Chorus

Oh Argo, my Argo, for eleven years you stayed
Through every sunlit morning, no moment ever swayed

Argo's Green Fields (continued)

You were my faithful guardian, a love beyond compare
Now you rest among the stars, with wind in your long hair

Bridge

I loved you the day you were born, a promise I made
And my love for you, sweet Argo, will never ever fade
For eternity, our spirits will surely intertwine
One day we'll be together, a reunion truly divine

Instrumental - cello, piano

Final Chorus

Oh Argo, my Argo, for eleven years you stayed
Through every sunlit morning, no moment ever swayed
You were my faithful guardian, a love beyond compare
Now you rest among the stars, with wind in your long hair

Outro - piano fade

You are always with me, and the rest of the pack too
Especially when I whisper, your dear name, Argo
Running endless green fields, or sleeping so soundly and deep
Forever my puppy, a memory I'll keep.

Forever in our hearts
