

Remembering Ollie

Custom Pet Memorial Songs

Bailey's Morning Tide

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

First time we met, a little sprite,
With furry face and eyes so bright.
Little paws upon the sand,
Greeting me with toy in hand.
A Lhasa's spirit, small and keen,
The sweetest friend I'd ever seen.
My heart just knew, it felt so right,
You filled my world with joy and light.

Chorus

Oh, Bailey, my dear friend, so true,
Fifteen years, a gift with you.
My loyal boy, a love so deep,
Memories I'll always keep.

Verse 2

The early mornings we would share,
A salty kiss upon the air.
Sun would rise, a golden gleam,
Walking on the sandy dream.
Your happy trot beside my feet,
Every single moment sweet.
No greater joy, no purer bond,
Beyond this world and far beyond.

Chorus

Oh, Bailey, my dear friend, so true,
Fifteen years, a gift with you.

Bailey's Morning Tide (continued)

My loyal boy, a love so deep,
Memories I'll always keep.

Bridge

Though tears may fall, I understand,
You're in a peaceful, brighter land.
My final whisper, soft and clear,
Go run free, no more pain, my dear.

Harmonica Solo

Final Chorus

Oh, Bailey, my dear friend, so true,
Fifteen years, a gift with you.
My loyal boy, a love so deep,
Memories I'll always keep.

Outro

Now you're chasing friends up high,
Underneath a boundless sky.
Running free with joyous stride,
Always here, deep down inside.

Outro - guitar fade

Forever in our hearts
