# Oliver's Gentle Veil

*A Tribute Song*

---

**Intro - piano, synth pad**

**Verse 1**

The day we met, a gentle lean,  
A loving spirit, calm, serene.  
Your long, lean body, built to race,  
But found your joy in soft embrace.  
You kissed my face, from chin to brow,  
A loving greeting, even now.  
With gentle paws, around my neck,  
A silent promise, nothing to wreck.

**Chorus**

Oh Oliver, my heart's own grace,  
For eight sweet years, we shared this space.  
A bond unbroken, pure and deep,  
Forever memories, I will keep.

**Verse 2**

So many nights, I watched you rest,  
A quiet peace, truly blessed.  
Curled on the couch, a peaceful sigh,  
Beneath the stars, beneath the sky.  
Your softest snores, a gentle sound,  
The safest haven, I had found.  
Just sleeping close, was all you'd need,  
Planting a love, a precious seed.

**Chorus**

Oh Oliver, my heart's own grace,  
For eight sweet years, we shared this space.

---

*Oliver's Gentle Veil (continued)*

A bond unbroken, pure and deep,  
Forever memories, I will keep.

**Bridge**

Sometimes I whisper to the air,  
A silent prayer, beyond compare.  
My dearest boy, I still impart,  
The final whisper of my heart: "Come back."

**Instrumental - cello, piano**

**Final Chorus**

Oh Oliver, my heart's own grace,  
For eight sweet years, we shared this space.  
A bond unbroken, pure and deep,  
Forever memories, I will keep.

**Outro**

Beyond the veil, a gentle guide,  
I know you're waiting, by my side.  
Or finding paths, to ease the space,  
Until we meet, in that soft place.  
Rest easy now, my dearest friend,  
Our love story will never end.

**Outro - piano fade**

*Forever in our hearts*
