Precious and Missy's Quiet Dream

A Tribute Song

Intro - piano, harp

Verse 1

The click-clack of small paws, a sound so dear and true,
Precious's happy tail would always greet anew.
Then Missy's joyful yaps, a bark so sweet and bright,
Two little tails a-wagging, filling our home with light.

Chorus

Oh, Precious and sweet Missy, our darlings, true and kind,
Eighteen and twelve full years of love, the best we'll ever find.
Your spirits bright still shine for us, a comfort in the night,
Forever in our hearts, our precious guiding light.

Verse 2

Those morning and evening walks, with Daddy by your side,
A cherished daily ritual, where joy could never hide.
The eager, leaping welcome whenever we came home,
You taught us what pure love was, we'd never walk alone.

Chorus

Oh, Precious and sweet Missy, our darlings, true and kind,
Eighteen and twelve full years of love, the best we'll ever find.
Your spirits bright still shine for us, a comfort in the night,
Forever in our hearts, our precious guiding light.

Bridge

Now chase the squirrels and cats, free in your new bright land,
A beautiful new kingdom, held gently in God's hand.
Mommy and Daddy miss you, a pain deep in our soul,

Precious and Missy's Quiet Dream (continued)

We'll see you both one day, to make our hearts feel whole.
Until we meet again, our love will never cease.

Instrumental - strings, piano

Final Chorus

Oh, Precious and sweet Missy, our darlings, true and kind,
Eighteen and twelve full years of love, the best we'll ever find.
Your spirits bright still shine for us, a comfort in the night,
Forever in our hearts, our precious guiding light.

Outro

Over the rainbow bridge, you run now, free from pain,
Together, side by side, until we meet again.
Sleeping soft and sound, beneath the starlit skies,
Two little hearts at peace, beyond our tearful eyes.

Outro - piano fade

Forever in our hearts
