Lady's Gentle Hug

A Tribute Song

Intro - piano, synth pad

Verse 1

A gentle giant, a loving soul, so grand,
You offered your heart, held in your paw, your hand.
With every soft nudge, a tender, sweet embrace,
A Great Dane's affection, filling every space.
You'd lean in for hugs, a kiss upon my cheek,
The silent language only true love could speak.
All you ever asked was just a little touch,
My sweet Lady, who loved her mom so very much.

Chorus

Oh, Lady, our Lady, ten years by our side,
A beautiful spirit, nowhere to hide.
Your love was a beacon, a soft, steady glow,
The truest devotion we were lucky to know.

Verse 2

Through quietest nights, you'd stir me from my sleep,
A paw to my hand, a promise you would keep.
Then back to my side, you'd settle down so near,
Sleeping the morning, banishing all fear.
The moment we walked through our front door each day,
You waited there wagging, chasing gloom away.
With happy warm greetings, a showering of bliss,
Our world was complete with your soft, furry kiss.

Chorus

Oh, Lady, our Lady, ten years by our side,
A beautiful spirit, nowhere to hide.

Lady's Gentle Hug (continued)

Your love was a beacon, a soft, steady glow,
The truest devotion we were lucky to know.

Bridge

Thank you for your love, boundless and so true,
The best dog ever, Mom and Dad loved you.
A precious gift you were, so pure and so kind,
A love like yours, we'll never truly find.

Instrumental - strings, piano

Final Chorus

Oh, Lady, our Lady, ten years by our side,
A beautiful spirit, nowhere to hide.
Your love was a beacon, a soft, steady glow,
The truest devotion we were lucky to know.

Outro - piano fade

Now at the Bridge, a rainbow's gentle gleam,
You wait for your mom, a tender, loving dream.
Rest peacefully, sweet girl, until that hopeful day,
Running free, dreaming of when she'll come to stay.

Forever in our hearts
