Pumpkin's Golden Sleep

A Tribute Song

Intro

Piano, synth pad

Verse 1

The softest paws upon the floor,
A greeting meow behind the door.
Your gentle purr, a tender sound,
The sweetest cat we ever found.
Each sleepy morning, soft and low,
Your wake-up call would gently flow.
A loving presence, calm and kind,
The dearest memories left behind.

Chorus

Oh, Pumpkin, our beloved friend,
Eighteen years of love, right to the end.
You filled our lives with so much grace,
A special smile upon your face.

Verse 2

A gentle nudge, a paw so light,
You'd stir us from the fading night.
Then settle down for strokes so slow,
A rumbling purr, a loving glow.
Upon our laps, you'd softly lay,
And chase the worries far away.
Your quiet comfort, warm and deep,
While all our secrets you would keep.

Chorus

Pumpkin's Golden Sleep (continued)

Oh, Pumpkin, our beloved friend,
Eighteen years of love, right to the end.
You filled our lives with so much grace,
A special smile upon your face.

Bridge

We loved you all your life, it's true,
And our hearts will always ache for you.
Though time may pass, and seasons fade,
Your precious memory, deeply laid.
We'll miss you every single day,
In every quiet, gentle way.

Instrumental

Acoustic guitar, piano

Final Chorus

Oh, Pumpkin, our beloved friend,
Eighteen years of love, right to the end.
You filled our lives with so much grace,
A special smile upon your face.

Outro

Now lay softly, sweet and deep,
In golden sun, your spirit sleeps.
No pain or sorrow, just pure light,
Resting gently, day and night.
