Jake's Second Skin

A Tribute Song

Verse 1

From the day we met, you were a tender sight
My shadow walking, bathing golden light
Your cutest face, a loyal soft embrace
Always beside me, filling every space
A faithful friend, my constant quiet guide
A second skin, forever by my side

Chorus

Oh Jake, my sweet boy, you were my life
For five and a half years, through joy and strife
Every moment a gift, a loving memory
You'll forever be...
A part of me

Verse 2

From morning coffee to the fading day
You were attached, no matter what the way
A gentle nudge, a paw upon my knee
Always present, just for me
Your quiet comfort, a steady beating heart

Jake's Second Skin (continued)

Right from the very start

Chorus

Oh Jake, my sweet boy, you were my life
For five and a half years, through joy and strife
Every moment a gift, a loving memory
You'll forever be...
A part of me

Bridge

I whisper now, I love you and I miss you so
Sorry you got sick, I wanted you to know
I would have changed it if I had the power to do
God, Jake, my sweet boy, I truly love you

Chorus

Oh Jake, my sweet boy, you were my life
For five and a half years, through joy and strife
Every moment a gift, a loving memory
You'll forever be...
A part of me

Outro

Now you're missing me, I know it's true
Lying in the sun, thinking of me and you
Peaceful slumber beneath the sky so wide
Forever in my heart, my loyal, loving guide

Forever in our hearts
