Mia's Guiding Light

A Tribute Song

Intro - piano, strings

Verse 1

From the very start, a tiny furry friend,
Wherever I would be, you'd always tend.
In the house or in the yard so green,
Even in my lap, a driving scene.
With little paws that softly found their way,
You brightened up each passing day.
A loyal Yorkie spirit, brave and true,
My world was always better with you.

Chorus

Oh, Mia, our sweet Mia, a light so true,
Thirteen cherished years we shared with you.
Every single day, a precious bond,
Our love for you will carry on beyond.

Verse 2

When I came home, you'd wait right at the door,
A tiny greeting, I could ask no more.
You'd tell me when it's time for bed to sleep,
And when your hungry tummy needed keep.
Though cuddles came just on your own sweet way,
You were the brightest light in every day.

Chorus

Oh, Mia, our sweet Mia, a light so true,
Thirteen cherished years we shared with you.
Every single day, a precious bond,
Our love for you will carry on beyond.

Mia's Guiding Light (continued)

Verse 3

You loved to settle right there next to me,
A quiet comfort, a true joy to see.
Your gentle presence, calming every day,
Chasing all the shadows far away.
With silent wisdom, eyes so soft and deep,
The loving secrets that our hearts would keep.
You were the sunshine, shining ever bright,
Our precious Mia, our enduring light.

Chorus

Oh, Mia, our sweet Mia, a light so true,
Thirteen cherished years we shared with you.
Every single day, a precious bond,
Our love for you will carry on beyond.

Bridge

Our final whisper, soft and clear and deep,
Promises our hearts will always keep.
Always know that Daddy and Mommy love,
And miss you, our sweet angel from above.

Instrumental - strings, oboe

Final Chorus

Oh, Mia, our sweet Mia, a light so true,
Thirteen cherished years we shared with you.
Every single day, a precious bond,
Our love for you will carry on beyond.

Outro

Now you're running free, across the sky,
Playing joyful games, where angels fly.
In heaven's fields, a happy, peaceful rest,
Mia, forever loved, and truly blessed.

Outro - strings fade
