

Remembering Ollie

Custom Pet Memorial Songs

Jett's Gentle Heart

A Tribute Song

Intro - delicate piano, soft strings

Verse 1

From the moment you came, a soul so true
More than just a pet, my son, through and through
A big brother's heart, a steady shadow near
Banishing every worry, calming every fear

Chorus

Oh, Jett, sweet Jett, fourteen years we shared
A love so pure, beyond all compared
Your full-face smile, a warmth in every gaze
You left your mark, in countless precious ways

Verse 2

Walking through the door, your joy a shining light
Your gentle cuddles made everything right
With "lil woofers" you'd play, a happy, soft sound
Wrestling with Tank, the best boy around

You'd watch over Bullet, with eyes so soft and deep
Then burrowed in blankets, soft secrets to keep
A stuffed animal friend, held like a binky tight
My gentle boy, bringing comfort to the night

Chorus

Oh, Jett, sweet Jett, fourteen years we shared
A love so pure, beyond all compared
Your full-face smile, a warmth in every gaze
You left your mark, in countless precious ways

Bridge

Jett's Gentle Heart (continued)

My amazing son, no need to fret or cry
I'll protect your sister, beneath this wide sky
You were a good boy, I love you, this is true
Forever in my heart, forever I miss you

Instrumental - piano, cello, acoustic guitar

Final Chorus

Oh, Jett, sweet Jett, fourteen years we shared
A love so pure, beyond all compared
Your full-face smile, a warmth in every gaze
You left your mark, in countless precious ways

Outro - soft strings, piano fade

Now running free, in heavens so high and wide
Playing with all the balls, with nothing left to hide
Checking on your family, from beyond the stars
Rest easy, sweet Jett, no more pain, no more scars

Forever in our hearts
