Cleo's Gentle Purr

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

That tortie-tude, a fierce and loving gleam
Your purrs would hum, a soft and healing dream
A warm soft body, pushing close to mine
With kitten squeaks, a love so pure, divine
You nibbled fingers, gentle paw to face
A happy homecoming, your joyful pace
Then chomps my hand, a loving, playful bite
Just to remind me, everything's alright

Chorus

Oh, Cleo, my sweet, my darling girl
You filled my heart, you lit up all my world
Sixteen years of joy, a gentle, steady flame
Forever cherished, I will whisper your sweet name

Verse 2

Those quiet lap times, just before the day
Our morning cuddles, chasing cares away
You'd scoop your dry food, with a clever paw
Then sneak a bite from dog food, breaking every law
A gentle presence, always by my side
Now cherished memories, where love will always hide

Chorus

Oh, Cleo, my sweet, my darling girl
You filled my heart, you lit up all my world
Sixteen years of joy, a gentle, steady flame
Forever cherished, I will whisper your sweet name

Cleo's Gentle Purr (continued)

Verse 3

My 'Baby Cat,' my little shadow true,
I always loved being so close to you.
We'd chase the red dot, a flicker on the floor,
And roll in catnip, then ask for more.
Your powerful purr, a rumble, deep and low,
With head-butt nuzzles, just to let me know.
Those belly rub moments, a trust so sweet to find,
The loving cuddles, I'll forever keep in mind.

Bridge

It's okay to go, my precious Baby Cat
Be healthy now, I understand all that
I love you more than you will ever see
I'll always love you, and remember thee

Instrumental - piano, synth pad

Final Chorus

Oh, Cleo, my sweet, my darling girl
You filled my heart, you lit up all my world
Sixteen years of joy, a gentle, steady flame
Forever cherished, I will whisper your sweet name

Outro

Now in a sunbeam, you stretch out and play
Batting a ball, as you drift away
Curled in my lap, with an adoring stare
Your constant purr, a love beyond compare

Outro - piano fade

Forever in our hearts
