Verse 1

When you came into my life, a loyal friend so true,
A gentle giant, a Rottweiler through and through.
You followed every step, my shadow by my side,
With understanding eyes, nowhere left to hide.
You seemed almost human, knowing what I'd feel,
Our silent language spoken, a bond so strong and real.
We faced the world together, just me and you,
A love like ours, forever shining new.

Chorus

Oh, Zeus, my best friend, for nine incredible years,
You chased away the shadows and calmed all my fears.
An unbreakable bond, a love beyond compare,
In every single moment, you were always there.

Verse 2

From morning drives we cherished, the engine's gentle hum,
To cozy evening cuddles, until the day was done.
Every day a special moment, simple joys we'd find,
Leaving all our worries, and the world behind.
You saved my life, my hero, in ways I'll never tell,
And I saved yours, my darling, knowing you so well.
A comfort and a constant, in every single way,
Making brighter every single lonely day.

Chorus

Zeus's Unbreakable Bond (continued)

Oh, Zeus, my best friend, for nine incredible years,
You chased away the shadows and calmed all my fears.
An unbreakable bond, a love beyond compare,
In every single moment, you were always there.

Verse 3

No matter where we journeyed, your paw prints left their trace,
You made my world feel perfect, in every time and space.
A silent, steady heartbeat, a comfort in the night,
Always there beside me, my guiding star, my light.
You didn't need to speak a word, your wisdom shone so clear,
My truest family, holding me so dear.
You knew my silent thoughts and feelings, without a single cue,
A love like ours, so honest, faithful, and true.

Bridge

My heart aches for your presence, a whisper in the air,
I loved you more than anyone, beyond all earthly care.
I miss you more than words can say, I wish you were still here,
Just one more time to hold you close, and wipe away a tear.

Instrumental - guitar, piano

Final Chorus

Oh, Zeus, my best friend, for nine incredible years,
You chased away the shadows and calmed all my fears.
An unbreakable bond, a love beyond compare,
In every single moment, you were always there.

Outro

Now you're watching over me, a guardian in the sky,
Running free and pain-free, beneath a loving eye.
Happy and at peace, with endless joy to find,
My beloved Zeus, forever in my mind.

Outro - guitar fade
