

Remembering Ollie

Custom Pet Memorial Songs

Roxy's Endless Blue

A Tribute Song

Intro - piano, strings

Verse 1

That happy face there in the pane
When I pulled in the driveway, through sun or rain
Then joyful zoomies, a happy sound
The best Pitti dog we ever found

Chorus

Oh, Roxy, my sweet, faithful friend
Eleven blessed years, right to the end
You filled our lives with endless grace
A love that time cannot erase

Verse 2

Those quiet mornings, warm in our bed
With Peter beside us, kind words unsaid
Car rides to Nona's, your tail wagging fast
Such precious memories, forever to last

Chorus

Oh, Roxy, my sweet, faithful friend
Eleven blessed years, right to the end
You filled our lives with endless grace
A love that time cannot erase

Verse 3

From where you play, you watch us still
Our house, our loved ones, on that hill
And in the quiet, as we sleep

Roxy's Endless Blue (continued)

Your loving presence, soft and deep

Bridge

Thank you for being my soulmate true
No pain, no worries, I whisper to you
Go swimming free, 'til we meet again
In heaven's light, beyond all pain

Instrumental - strings, horns

Final Chorus

Oh, Roxy, my sweet, faithful friend
Eleven blessed years, right to the end
You filled our lives with endless grace
A love that time cannot erase

Outro

Now running free, beneath the sky
Endlessly swimming, as days go by
Your tail still wags, a happy sight
Watching Aubrey sleep each night

Outro - piano fade

Forever in our hearts
