
Luna's Gentle Whisper

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

In days gone by, a memory bright,
You'd join me on the couch each night.
A little pug, with watchful gaze,
Through football games in countless ways.
You'd bark at players on the screen,
The cutest fan I'd ever seen.
A loyal friend, so sweet and true,
My precious Luna, through and through.

Chorus

Oh, Luna, my dear, a guiding star,
Though you may be so very far.
Fifteen years, a love so deep,
Your memory my heart will keep.
A gentle soul, a tender sigh,
My Luna, flying to the sky.

Verse 2

Each morning light, a sound would start,
A tiny paw that stole my heart.
You'd hear me stir, a sleepy sound,
Then race to me across the ground.
To let me know it was the time,
For breakfast love, a joyful chime.
Your special way, your sweet request,
You always knew what was the best.

Chorus

Oh, Luna, my dear, a guiding star,
Though you may be so very far.
Fifteen years, a love so deep,

Luna's Gentle Whisper (continued)

Your memory my heart will keep.
A gentle soul, a tender sigh,
My Luna, flying to the sky.

Verse 3

A warmth beside me, soft and deep,
While gentle dreams I used to sleep.
Your sleepy sighs, a peaceful sound,
The dearest friend I ever found.
In quiet moments, just you and I,
Beneath the starlit, evening sky.
Your little head, upon my lap,
A love that filled each empty gap.

Bridge

The hardest words, I had to say,
"I'm sorry you are leaving me today."
My Luna, know, "I Will Always Love You,"
My promise to you, strong and true.

Instrumental - piano, strings

Final Chorus

Oh, Luna, my dear, a guiding star,
Though you may be so very far.
Fifteen years, a love so deep,
Your memory my heart will keep.
A gentle soul, a tender sigh,
My Luna, flying to the sky.

Outro - piano fade

Now in doggy heaven, free and light,
You're playing with your toys, so bright.
Beyond the clouds, a peaceful sleep,
While in my heart, your love I'll keep.

Forever in our hearts
