
Bean's Gentle Watch

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

I recall your sweet little face
A chocolate spaniel, full of grace
By the side door, always you'd be found
Waiting for us, without a sound
Every homecoming, a joyful sigh
Beneath a warm and loving sky
A loyal heart, so true and deep
Secrets in your gentle keep

Chorus

Oh, Bean, my sweet boy, so true
For thirteen years and four months, we had you
A special soul, a gentle light
Shining brightly, morning, noon, and night

Verse 2

The mornings you'd lay right by my side
A comforting presence, nowhere to hide
Then in the evenings, quiet and deep
You'd with Matty, softly sleep
Your gentle snore, a lullaby tune
Beneath the stars, or afternoon's moon
So full of love, a tender heart
Right from the very, very start

Chorus

Oh, Bean, my sweet boy, so true
For thirteen years and four months, we had you
A special soul, a gentle light
Shining brightly, morning, noon, and night

Verse 3

Bean's Gentle Watch (continued)

You'd lay on the floor while showers streamed,
Or in the hall, a comfort you seemed.
At every meal, your hopeful pant,
For Matty's banana, a playful want.
On lounge chairs with me, in sun's warm glow,
And Christmas gifts, you'd thrill to know.
Your soft paws patter, a gentle sound,
As daily with toys, your joy was found.

Bridge

My Beany, the sweetest boy I knew
Mommy loves you, through and through
A whisper carried on the breeze
Forever bringing my heart ease

Harmonica Solo

Final Chorus

Oh, Bean, my sweet boy, so true
For thirteen years and four months, we had you
A special soul, a gentle light
Shining brightly, morning, noon, and night

Outro

Now you're watching, from up high
With Coco and Angie, beneath the sky
Running free, in fields of gold
A story of love, forever told

Outro - guitar fade

Forever in our hearts
