
Squishy's Only Sunshine

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

You were my companion, my little caretaker sweet,
With all your amazing facials, my life was made complete.
Your eyes would always tell me, how much you adored me true,
Then burn outs on our walk abouts, to show how tough you grew.
Snuggles whenever possible, right there by my side,
My little faithful sidekick, with nowhere left to hide.

Chorus

Oh, Squishy, my dear Squishy, for five beautiful years we shared,
A bond of pure devotion, beyond compare.
You filled my days with laughter, and chased away the gray,
My little, only sunshine, you brightened every day.

Verse 2

Our mid-day nap times cherished, you'd eagerly await,
So I could lay there with you, sealing our special fate.
Now you're running the whole show, on the Rainbow Bridge above,
All the other dogs know Squish, is the Queen of endless love.
With comfortable blankets and prime portions of your meal,
A paradise created, where only joy you feel.

Chorus

Oh, Squishy, my dear Squishy, for five beautiful years we shared,
A bond of pure devotion, beyond compare.
You filled my days with laughter, and chased away the gray,
My little, only sunshine, you brightened every day.

Verse 3

At every single mealtime, you'd expect a little share,
Right there by my side, with that expectant stare.
Then after bath, you'd rub yourself, on blankets, soft and grand,

Squishy's Only Sunshine (continued)

Fixing your own wild hairdo, by your own sweet paw and hand.
Princess beds in every room, for comfort, soft and deep,
Our tiny pampered ruler, while you'd peacefully sleep.

Bridge

My Squishy bug, breathe easy, let your heart beat soft and low,
Enjoy the morning walk abouts, watching wildflowers grow.
My little baby girl, you're free, beneath the sky so wide,
You are my only Sunshine, forever deep inside.

Instrumental - harmonica, guitar

Final Chorus

Oh, Squishy, my dear Squishy, for five beautiful years we shared,
A bond of pure devotion, beyond compare.
You filled my days with laughter, and chased away the gray,
My little, only sunshine, you brightened every day.

I know you're in the garden, waiting there for me,
Among the greenest leaves, happy and wild and free.
