Ginger's Warm Embrace

A Tribute Song

Intro - piano, harp

Verse 1

The day I found you, small and sweet
You ran right past my weary feet
Weaving 'round, a gentle plea
"Please take me home, stay close to me."

Chorus

Oh, Ginger, my dear, after all these years
You chase away my silent fears
With fourteen years and half a smile
My precious pup, for every while.

Verse 2

When I come home and turn the key
Your special bark, you talk to me
That "Raw raw raw raw raw" so clear
"Why were you gone?" you ask, my dear.

Chorus

Oh, Ginger, my dear, after all these years
You chase away my silent fears
With fourteen years and half a smile
My precious pup, for every while.

Bridge

Thank you, Ginger, for every precious day
For every bark you send my way
I look into your knowing eyes so bright
"Am I okay?" Always, my sweet light.

Instrumental - cello, piano

Final Chorus

Oh, Ginger, my dear, after all these years
You chase away my silent fears
With fourteen years and half a smile
My precious pup, for every while.

Outro

If I sleep too long, you find a way
To wake me up and start the day
A little carpet tug, you know the drill
My one-of-a-kind pup, you love me still.

Outro - piano fade
