Untitled Song

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

From the moment you arrived, a bond began to grow,
My constant friend, my safe place, how quickly time did flow.
A soul kitty, purring softly, always by my side,
In your gentle presence, there was nothing left to hide.
Our worlds revolved around us, a perfect, quiet beat,
Together was the best place, where my heart felt complete.
You taught me so much, with a wisdom deep and true,
My dearest, sweet companion, my lovely Tiki Rue.

Chorus

Oh, Tiki Rue, my love, for fourteen years you stayed,
A sunbeam in my life, a promise never swayed.
My constant, loyal shadow, purring close and deep,
Your memory in my heart, forever I will keep.

Verse 2

You loved to find the sunbeams, a warm and golden spot,
And always had a paw on me, no matter where I got.
In evening hours, we'd snuggle, close within the bed,
Just laying there together, every worry shed.
Your quiet presence filled the room, a comfort and a grace,
A peaceful, steady rhythm, in our sacred space.
Those gentle moments linger, like a soft and warm embrace,
The quiet joy of living, etched upon your face.

Chorus

Oh, Tiki Rue, my love, for fourteen years you stayed,
A sunbeam in my life, a promise never swayed.
My constant, loyal shadow, purring close and deep,
Your memory in my heart, forever I will keep.

Verse 3

Untitled Song (continued)

Each morning light, you greeted me, a soft and gentle sound,
The quiet rhythm of your life, where comfort could be found.
A watchful eye, a knowing gaze, you understood my plight,
And chased away the shadows, with your pure and loving light.
No words were ever needed, just a brush against my hand,
The deepest kind of friendship, only we could understand.
You filled my home with happiness, across the fourteen years,
And quieted my worries, calmed my silent fears.

Bridge

Though goodbyes whispered softly, a quiet, tearful plea,
You will forever be my BooBoo, dear to only me.
My fatty pork chop, sweet and true, my heart will always say,
I love you so much, each and every single day.

Guitar Solo

Final Chorus

Oh, Tiki Rue, my love, for fourteen years you stayed,
A sunbeam in my life, a promise never swayed.
My constant, loyal shadow, purring close and deep,
Your memory in my heart, forever I will keep.

Outro

Now enjoying the warm sun, with eyes so softly closed,
Front legs gently crossed, a peace that slowly flows.
A look of pure contentment, serene and ever free,
Forever in my heart, my sweet, dear Tiki Rue.
