Intro - piano, acoustic guitar

Verse 1

Seventeen years, a tiny heart so true
Always by my side, that's where I found you
On the ottoman, a sweet and loyal friend
A love like ours, it truly has no end

Chorus

Oh, Kimba, Kimba, seventeen years we shared
A tiny soul, beyond compare
My little Yorkie, brave and bright
You filled my world with pure delight

Verse 2

I'd hold you close when age began to creep
Your eyes grew dim, your steps no longer deep
In my lap riding, gentle, warm, and near
And when I'd sing your song, you'd lend an ear
Then lick my face, a moment sweet and mild
My dearest, most beloved, furry child

Chorus

Oh, Kimba, Kimba, seventeen years we shared
A tiny soul, beyond compare
My little Yorkie, brave and bright
You filled my world with pure delight

Verse 3

I remember days, so vibrant and so fleet
Chasing after bunnies, with your tiny, eager feet
A mighty hunter, though you never quite would gain
That joyful spirit, free from any pain

Bridge

Now softly whispered, a truth I hold so dear
Mommy loves you so much, wishing you were here
A part of me will always yearn
For your sweet presence, lessons I still learn

Instrumental - piano, strings

Final Chorus

Oh, Kimba, Kimba, seventeen years we shared
A tiny soul, beyond compare
My little Yorkie, brave and bright
You filled my world with pure delight

Outro

Now you're in heaven, healthy, strong, and free
With Snuggles playing, just how it used to be
Running like a puppy, chasing dreams anew
My precious Kimba, I'll always remember you
[Outro - piano fade]===

Forever in our hearts
