Marniee's Gentle Dream

A Tribute Song

Intro - piano, ambient pads

Verse 1

We remember the sound of your soft nails on the floor,
How you'd "speak" for a treat, always asking for more.
Your sweet paw shake, then a wet nose kiss so deep,
As you'd take over the couch, while we all would sleep.
A graceful shadow moving through every room,
Chasing away any lingering gloom.

Chorus

Oh, Marniee, our dear friend, for ten precious years,
You calmed all our worries and quieted our fears.
Your love was a melody, a soft, gentle tune,
Held in our hearts, beneath the sun and moon.

Verse 2

The morning light would bring your wish for treats so sweet,
Your loving spirit shining, from your head to your feet.
A true friend to all creatures, with a heart pure and kind,
With every soft kiss, a beautiful memory we'd find.
So full of joy, you'd greet each brand new day,
A loyal companion, lighting up our way.

Chorus

Oh, Marniee, our dear friend, for ten precious years,
You calmed all our worries and quieted our fears.
Your love was a melody, a soft, gentle tune,
Held in our hearts, beneath the sun and moon.

Verse 3

A gentle whisper, when the day drew to its close,
The comfort of your head, upon our laps, you'd doze.
Each quiet moment, a bond beyond compare,

Marniee's Gentle Dream (continued)

A silent promise, that you'd always be there.
Your loving gaze, so honest and so true,
Our world felt brighter, just because of you.

Bridge

"Be at peace now, sweet one, no more sorrow, no more pain,"
"Go and play with your brothers and sisters, through sunshine and rain."
Across the rainbow bridge, where eternal joys reside,
Our everlasting love will always be your guide.

Instrumental - piano, strings

Final Chorus

Oh, Marniee, our dear friend, for ten precious years,
You calmed all our worries and quieted our fears.
Your love was a melody, a soft, gentle tune,
Held in our hearts, beneath the sun and moon.

Outro - piano fade

Now over the rainbow, where soft clouds drift and gleam,
You run free and happy, living a joyful dream.
Rest easy, sweet Marniee, a spirit so bright,
Forever in our hearts, bathed in a gentle light.

Forever in our hearts
