Tyson's Shaded Oak

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

My loyal shadow, following me each day
From room to room, you'd never stray
Then by my bed, as morning light would gleam
For morning love, a sweet and happy dream

Chorus

Oh, Tyson, my dear friend, for twelve sweet years you stayed
A loyal Boxer, in sun and gentle shade
Your paw prints on my heart, they never fade away
You're my best Buddy Boy, until my dying day

Verse 2

With homeschooled children, you were always near
A part of everything, banishing all fear
On the front porch, we'd watch the world go by
Or underneath your mighty oak, beneath the sky

Chorus

Oh, Tyson, my dear friend, for twelve sweet years you stayed
A loyal Boxer, in sun and gentle shade
Your paw prints on my heart, they never fade away
You're my best Buddy Boy, until my dying day

Verse 3

A constant comfort, through the quietest hours
Your gentle breathing, among life's blooming flowers
With watchful eyes, a steadfast, loyal friend
A love like yours, that truly knew no end

Chorus

Oh, Tyson, my dear friend, for twelve sweet years you stayed

Tyson's Shaded Oak (continued)

A loyal Boxer, in sun and gentle shade
Your paw prints on my heart, they never fade away
You're my best Buddy Boy, until my dying day

Bridge

You are my best Buddy Boy, Tyson, true and kind
Wait for me, my sweet companion, leave no one behind
Lead me to Jesus when my earthly journey's done
Together we'll be, 'til the rising of the sun

Instrumental - banjo, acoustic guitar

Final Chorus

Oh, Tyson, my dear friend, for twelve sweet years you stayed
A loyal Boxer, in sun and gentle shade
Your paw prints on my heart, they never fade away
You're my best Buddy Boy, until my dying day

Outro

Now you're running free, throwing toys up in the air
Leaping high to catch them, without a single care
Lying in the shade of an oak, so cool and deep
While memories of you, in my heart I'll always keep

Outro - acoustic guitar fade

Forever in our hearts
