BellaRose, My Sweet Delight

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

I remember clearly, the first time you ran my way
With a goofy wiggle waggle, a sunshine-filled display
Your bright eyes peering through the door, as I came up the stairs
The click-clack of your little nails, chasing away my cares

Chorus

Oh, BellaRose, my sweet delight
You filled my world with pure, pure light
For nine and a half years, you stayed by my side
My joyful girl, my loving guide

Verse 2

No single moment special, they all shone bright and new
But coming home was magic, my heart belonged to you
Your eyes would peek the backdoor, then KoKo's joined the race
Both jumping up and down, with joy on every face
KoKo grabbed what was in my hand, a playful, silly art
While BellaRose just wanted belly rubs, straight from my loving heart

Chorus

Oh, BellaRose, my sweet delight
You filled my world with pure, pure light
For nine and a half years, you stayed by my side
My joyful girl, my loving guide

Bridge

And though you're gone, your whisper still rings true
"I will always be with you, in everything I do"
"I will always love you forever and ever," it's plain to see
"My sweet BellaRose, eternally with me."

Instrumental - banjo, glockenspiel

Final Chorus

Oh, BellaRose, my sweet delight
You filled my world with pure, pure light
For nine and a half years, you stayed by my side
My joyful girl, my loving guide

Outro - acoustic guitar, piano, tambourine fade

Now I see you laying on your back, legs kicking in the air
With happy grunts and noises, without a single care
Then finding KoKo for a game, in fields of endless light
My sweet BellaRose, shining ever so bright.

Forever in our hearts
