Intro - piano, acoustic guitar

Verse 1

The first time that I saw your face,
A memory time cannot erase.
You ran through green and blooming space,
With a bright Labbi-smile, full of grace.

Chorus

Oh, Liesel, my sweet, Lie-sel, it's true,
Thirteen years I cherished you.
A love so deep, forever new,
My heart still beats, remembering you.

Verse 2

One morning, a gentle nudge I felt,
Into my bed, so softly you crept.
You thought your secret wasn't dealt,
But even sleeping, my heart lept.

Chorus

Oh, Liesel, my sweet, Lie-sel, it's true,
Thirteen years I cherished you.
A love so deep, forever new,
My heart still beats, remembering you.

Verse 3

Liesel's Gentle Smile (continued)

A guiding gaze, with gentle might,
You led your friends, both day and night.
Then younger years, a joyous leap,
Our safe return, your heart would keep.

Chorus

Oh, Liesel, my sweet, Lie-sel, it's true,
Thirteen years I cherished you.
A love so deep, forever new,
My heart still beats, remembering you.

Bridge

I love you from my deepest heart,
A bond that time cannot tear apart.
Please wait for me, a brand new start,
I know we'll meet again, my sweet work of art.

Instrumental - piano, strings

Final Chorus

Oh, Liesel, my sweet, Lie-sel, it's true,
Thirteen years I cherished you.
A love so deep, forever new,
My heart still beats, remembering you.

Outro

Now in a garden, lush and wide,
With dear Paul, by your side.
Running free, with nothing to hide,
My sweet Liesel, at peace, glorified.

Outro - piano fade
