Jack's Loving Gaze

A Tribute Song

Intro - piano, cello

Verse 1

The first time that I saw you, a tiny, bristly friend
A wire-haired terrier, a joy that had no end
Your loving eyes met mine, a promise whispered low
And then your gentle howl, a song I came to know

Chorus

Oh, Jack, my dear Jack, with me for twelve sweet years
You chased away my worries, calmed all of my fears
Your loving heart forever, a light that shines so bright
Guiding me through darkness, into the morning light

Verse 2

Each morning brought a comfort, your gentle, eager plea
A soft nudge by the bedside, just waiting there for me
Your playful spirit dancing, a happy, waking sound
The best way to start my day, with you always around

Chorus

Oh, Jack, my dear Jack, with me for twelve sweet years
You chased away my worries, calmed all of my fears
Your loving heart forever, a light that shines so bright
Guiding me through darkness, into the morning light

Verse 3

Your silly, loving spirit, a gift from God above
You always made us smile, enveloped in your love
My everything, my darling, your caring heart so true
The precious joy you gave me, I'll always cherish you.

Bridge

I whisper now my sorrow, for what I couldn't do

Jack's Loving Gaze (continued)

My heart aches with the knowing, I couldn't save you
But know my love is endless, forever and a day
My precious, dearest Jack, come what may

Instrumental - cello, piano

Final Chorus

Oh, Jack, my dear Jack, with me for twelve sweet years
You chased away my worries, calmed all of my fears
Your loving heart forever, a light that shines so bright
Guiding me through darkness, into the morning light

Outro

Now with Wren and baby, in God's tender embrace
Running free and happy, in that peaceful, loving place
A gentle, dreaming presence, a star above so high
My Jack, my sweet companion, beneath a quiet sky

Outro - piano fade

Forever in our hearts
